

2016 Fall Lecture Series

Date: Oct. 18th, 2016

Speaker: Michael Fortune, BCA

Background: Designer, Craftsman, Educator,
Consultant

Title: **“Concept to Completion
40 Years of Craftsmanship”**

Description: As a designer, craftsman, educator and consultant, Michael Fortune has been acclaimed for his artistic innovative one-of-a-kind objects, limited edition pieces, and award-winning commissioned residential furniture. His work has appeared in exhibitions world-wide and he has been awarded Canada's highest recognition for crafts, a first for a woodworker. He has consulted for international agencies in developing countries, has taught around the world, even having an advanced educational fellowship program named in his honour, and has been an activist, trustee and board member supporting sustainable resource initiatives. His presentation and the images shown will illustrate why his has been a rewarding and most unusual career.
